

Template

for Submission of Letters of Intent for Renewal Proposals in 2024

The letters of intent will be used by the DFG head office to plan the review. Additionally, they will subsequently be published online at

www.dfg.de/nfdi

Please note the following

- In 2024, only consortia of the first funding round can submit a renewal proposal. It is not possible to apply for funding for a new consortium.
- If you are planning to submit a renewal proposal in 2024, you **must** submit a **binding letter of intent** that will serve both as advance notification of proposal submission in 2024 and as **binding information on the (co-)applicants and participants** of your consortium. Proposals that have not been preceded by a letter of intent according to this template will not be considered.
- Full renewal proposals must be submitted via the elan portal. The letter of intent must be submitted via the elan portal (elan.dfg.de) as well.
- All letters of intent must be written in English.
- Your document must be structured according to the template provided below (this rtf file, Arial 11).

- Please submit your binding letter of intent (for 2024) via elan, the DFG's submission portal (elan.dfg.de).
- **DEADLINE: 18 June 2024**

The DFG takes the protection of your personal data very seriously.

Please refer to our data protection notice for research funding, which you can access at www.dfg.de/privacy_policy. If appropriate, please share this information with individuals whose data is processed by the DFG due to the fact that they are listed in your letter of intent. Remember that the letters of intent you submit, will be published on the DFG website.
